I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

Mike/Crystal,

Our records indicate that the attached Initial/Final C-141 was submitted to NMOCD District 2 on 6/18/13; however, there is no record of it on NMOCD Online. Could you please process this Initial/Final C-141 so that we can get it closed out on our end?

Thank you,

***Amber Griffin***
