Subject: SJ 28-4 Unit Interest Owners for DHC applications

David: my apologies for a late response. You had asked if the interest owners were covered by an order for the 28-4 Unit DHC's. No they are not; we did mail the applications to them and I am faxing you a list of those interest owners this morning. Sorry to delay you and thanks so much for the DHC's I've been receiving lately!!! - peggy bradfield
