Dear Ms. Gore:

We have received your \$150 application fee and request for surface commingling for the above-captioned wells.

Since it appears that all the New Mexico Oil Conservation Division's rules and regulations have been complied with and there will be no loss of revenue to the State of New Mexico as a result of your proposed operation, your request is hereby approved. State Land Office approval is subject to like approval by the New Mexico Oil Conservation Division. Please submit a copy of the NMOCD's approval to this office.

Our approval does not constitute the granting of any right-of-way or construction rights not granted by the lease instrument.

If you have any questions or if we may be of further help, please contact Commingling Manager Marilyn Gruebel at 505.827.5791.

Respectfully,

AUBREY DUNN
