Mr. Stogner:

On March 13, 2006, Petrohawk Operating Company (formerly Mission Resources Corp.) submitted an application for administrative approval of an infill gas well and simultaneous dedication of State 157G Well No.5 in Section 5, Township 22 South, Range 36 East, Lea County, New Mexico. If you have any questions or concerns regarding this application, I would appreciate knowing about them at your earliest convenience. Petrohawk has just had a rig become available in the area and would like to utilize it to drill this well if at all possible.

Thank you for your time and attention to this matter.

Sincerely,  
Ocean
