ADMINISTRATIVE POOL/LEASE COMMINGLING ORDER

Administrative Order PLC-561  
AMENDS ADMINISTRATIVE ORDER PC-1330

EOG Resources Inc.  
Attention: Kay Maddox

Pursuant to your application received on March 15, 2019, EOG Resources Inc. (OGRID 7377) is hereby authorized to surface commingle oil and gas production and off-lease measure from the following pools:

WC-025 G-07 S243225C; LWR BONE SPRING	(97964)
WC-025 G-09 S243336I; UPPER WOLFCAMP	(98092)

and from wells, their associated leases, and pools identified in the application, Exhibit "A" made a part of this order. These wells are located on proposed state communitization agreements located in Section 30, Township 24 South, Range 33 East, NMPM, Lea County, New Mexico.

Production from the subject wells shall be determined as follows:

The oil and gas production from each of the diversely-owned leases shall be measured with allocation meters.

The oil and gas production from each well will flow into a dedicated 3-phase separator. The production stream will be separated into 3 independent streams by the separator and each stream will be measured individually after it exits the separator, before commingling.

The commingled oil production from the wells detailed above shall be measured and sold at the Mamba South Corridor Central Tank Battery (CTB), located in Unit O and Unit P of Section 30, Township 24 South, Range 33 East, NMPM, Lea County, New Mexico.

For future additions of wells, leases, and pools to this commingling operation, notice shall only be given to those interest owners in the wells, leases or pools to be added, in accordance with Division Rule 19.15.12.10 C (4) (g) NMAC.

Subsequently drilled wells that produce from the subject pool within the project areas approved by this order may be added to this commingling authority by submittal of a Sundry Notice to the Engineering Bureau in Santa Fe.

The allocation meters shall be calibrated quarterly in accordance with Rule 19.15.12.10.C (2) NMAC.

This approval is subject to like approval from the New Mexico State Land Office before commencing commingling operations.

This administrative order supersedes Administrative Order PC 1330, issued on August 31, 2018. This order adds the wells on the west side of the Section, which has diverse ownership.

The operator shall notify the Hobbs District office of the Division prior to implementation of the commingling operations.
