Re: DHC Applications
San Juan 32-5 Unit Wells No. 8R, 13R & 17R

Dear Mr. Brink:

Please submit a list of offset operators and interest owners within the San Juan 32-5 Unit who were sent notice of your application to downhole commingle the three subject wells. Failure to provide this information may result in unnecessary delays in processing your applications.

Thank you for your assistance.

Sincerely,

David Catanach
Engineer
