Mr. Stogner:

I am checking on the application we filed for Yates for a non-standard location for its Ike State Unit Well No. 1 on May 3, 2006. The proposed location is 1750 feet from the North line and 900 feet from the West line of Section 30, Township 12 South, Range 35 East, NMPM, Lea County, New Mexico. We provided notice to the offsetting working interest owner, Murchison Oil & Gas, on the same date.

Please let me know if you have any questions or concerns.

Thank you,
Ocean
