#37 Hammond

Gentlemen:

We request administrative approval of the location of our #37 Hammond which, because of the rugged terrain, is staked 660 feet from the west line of Section 35, T27N, R8W, San Juan County.

Western Natural Gas Company, owner of the lease covering the East half of section 34 has consented to said location and a conformed copy of our letter indicating their consent is enclosed, the original having been filed with your Aztec office.

Please let us know should you require additional information.

Very truly yours,

R & G DRILLING COMPANY, INC.

Re: R & G #37 Hammond

Gentlemen:

Because of the rugged terrain, we were required to stake the above mentioned Pictured Cliffs gas well location 510 feet from your property line, as indicated on the enclosed well location plat.

If you have no objection to this unorthodox location, please so indicate at the bottom of the enclosed copy of this letter and return.

Very truly yours,
