Stogner, Michael

From: Hayden, Steven
Sent: Wednesday, November 28, 2001 9:02 AM
To: Stogner, Michael
Subject: RE: XTO Energy NSL Applications

Mike,
~~I am OK with the Schwerdtfeger A #12B~~ and the Berger # 2E. The T.L. Rhodes C #1 is OK by me except that if the rules read as they stated in the application, it would not be NSL. XTO states that the rules say a well cannot be within 150' of the center of a 1/4, 1/4 section when what the rules say is that it must be within 150' of the center. On the Bolack C LS #7 application, they have an existing Mesaverde well in L-33-27N-8W, the Bolack C LS #15 that has 7 5/8" intermediate set at 2869' with a 5 1/2" liner at 2869'. The Fruitland Fm is from 2505'-2736' in this hole. I wonder if they considered this hole as it is a standard location.

Subject: XTO Energy NSL Applications

I will probably commence reviewing XTO's four pending applications tomorrow. Are there any comments and/or concerns?

OIL CONSERVATION COMMISSION

El Paso Natural Gas Company
Box 997
Farmington, New Mexico

Attention: Mr. E. S. Oberly

Administrative Order NSL-130

Gentlemen:

Reference is made to your application for approval of an unorthodox well location for your Schwerdtfeger Well No. 12-A to be located 500 feet from the South line and 2350 feet from the West line and in the SE/4 SW/4 of Section 6, Township 27 North, Range 8 West, adjacent to the Blanco Mesaverde Pool, San Juan County, New Mexico.

It is our understanding that this unorthodox well location is based upon extreme topographic conditions in the SW/4 of said section.

Inasmuch as you furnished waivers from the offset operators, it is possible for immediate approval to be granted. Therefore, by authority granted me under provisions of Rule 104 (f) of the New Mexico Oil Conservation Commission, you are hereby granted an exception to Rule 1 (c) of Order R-110 as amended by Order R-397 for the above described unorthodox well location. You must also obtain like approval from the U. S. Geological Survey.

Very truly yours,

A. L. PORTER, Jr.
Secretary-Director
