Attention: Mr. E. S. Oberly

Administrative Order NSL-134

Gentlemen:

Reference is made to your application for approval of an unorthodox well location for your Jicarilla Well No. 6-E to be located 694 feet from the South line and 800 feet from the East line and in the SE/4 SE/4 of Section 20, Township 25 North, Range 4 West, South Blanco Pictured Cliffs Pool, Rio Arriba County, New Mexico.

It is our understanding that this unorthodox well location is based upon extreme topographic conditions in the SE/4 SE/4 of said section.

Inasmuch as you own the offset acreage, it is possible for immediate approval to be granted. Therefore, by authority granted me under provisions of Rule 4 of the Special Rules and Regulations of the South Blanco Pictured Cliffs Pool, as set forth in Order 565-C, you are hereby granted an exception to Rule 3 of Order 565-C for the above described unorthodox well location. You must also obtain like approval from the U. S. Geological Survey.

Very truly yours,

A. L. PORTER, Jr.,
Secretary-Director
