Attention: Mr. W. C. Rodgers

Administrative Order NSL-137

Gentlemen:

Reference is made to your application of March 5, 1938, for approval of an unorthodox well location for your New Mexico "A" Well No. 1, to be located 1983 feet from the South line and 2313 feet from the West line and in the NE/4 SW/4 of Section 25, Township 16 South, Range 33 East, Kennitz-Wolfcamp Pool, Lea County, New Mexico.

It is our understanding that this unorthodox well location is necessitated by topographic conditions in the NE/4 SW/4 of said Section.

Inasmuch as you own all the offset acreage, it is possible for immediate approval to be granted. Therefore, by authority granted me under provisions of Rule 3 (b) of the Special Rules and Regulations of the Kennitz-Wolfcamp Pool, as set forth in Order R-1011, you are hereby granted an exception to Rule 3 (a) of Order R-1011 for the above described unorthodox well location.

Very truly yours,

A. L. PORTER, Jr.,
Secretary-Director
