Administrative Order NSL-151

Gentlemen:

Reference is made to your application for approval of an unorthodox well location for your State (Section 2) No. 4 Well to be located 710 feet from the South line and 610 feet from the West line of Section 2, Township 21 South, Range 37 East, Tubb Gas Pool, Lea County, New Mexico.

It is our understanding that this unorthodox well location is occasioned by the recompletion of a well previously drilled to another horizon.

By authority granted me under the provisions of Rule 3 of the Special Rules and Regulations of the Tubb Gas Pool, as set forth in Order R-586, you are hereby granted an exception to Rule 2 of Order R-586 for the above described unorthodox well location. You must also obtain like approval from the U. S. Geological Survey if the well is located on land subject to the jurisdiction of the United States Geological Survey.

Very truly yours,

A. L. PORTER, Jr.,
