NSL -

Oil Conservation Commission,
Sante Fe, N. M.

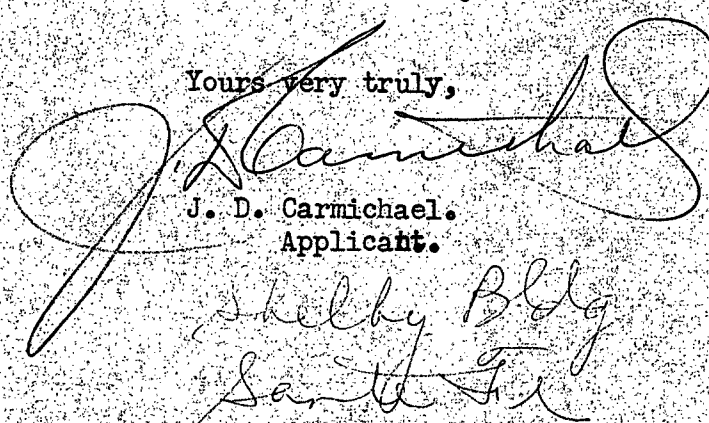

Gentlemen:

The applicant requests an unorthodox oil well location for the Carmichael #1 located in Section 4, Township 14 N, Range 12 E in San Miguel County, N. M.. Well location is 2489 feet from the south line and 2543 feet from the west line. Ground level elevation is 6855.

This unorthodox location is requested due to the rough terrain in the area.

Mr. E. E. Fogelson, owner of Los Trigos Grant, which adjoins this lease has notified your commission that he offers no objection to our drilling operation.

Yours very truly,

J. D. Carmichael.
Applicant.
