Dear Mr. Porter:

As provided for in Order No. R-179-3, Rule 4B, covering the Escrito-Gallup field, Val R. Reese & Associates, Inc. request administrative approval to drill their #3-23 Kenney well on an unorthodox location. The #3-23 Kenney well will be a Gallup completion, located 1500 feet from the South line and 1550 feet from the West line of Section 23, Township 24 North, Range 7 West, Escrito-Gallup field, Rio Arriba County, New Mexico.

The unorthodox location is requested because of the presense of a dry arroyo in the area north and east of this proposed location. Val R. Reese & Associates, Inc. are offset operators of all of the acreage surrounding this well.

Very truly yours,

Morris B. Jones
