Re: Perry R. Bass Unorthodox  
Location - Plains Unit -  
Lea County, New Mexico

Dear Mr. Porter:

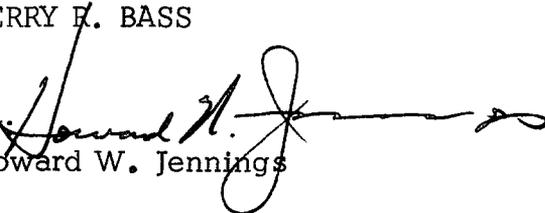

Pursuant to my conversation with you and in accordance with your instructions, we enclose herewith telegram from El Paso Natural Gas and a letter from Pan American Petroleum Corporation advising that they have no objection to the drilling of the No. 4 Plains Unit well at a location 1930 feet from the South line and 660 feet from the West line of Section 21, Township 19 South, Range 32 East, Lea County, New Mexico.

As we discussed, it was necessary that we move this location a few feet south due to an old well being drilled on this location.

Your kind cooperation in this matter is greatly appreciated.

Very truly yours,

PERRY R. BASS
