AMENDMENT

Administrative Order NSL-376

Gentlemen:

Reference is made to your letter of May 16, 1966, advising that it had been necessary to move your John Williams Well No. 9 from the location authorized by Administrative Order NSL-376, being 1120 feet from the North line and 330 feet from the East line of Section 34, Township 24 South, Range 37 East, NMPM, Justis-Blinebry Pool, Lea County, New Mexico.

It is our understanding that the well is located 15 feet nearer the center of the proration unit at a point 1105 feet from the North line rather than 1120 feet from the North line as originally proposed. Administrative Order NSL-376 is hereby amended to conform to this new location.

Very truly yours,

A. L. PORTER, Jr.
