Blanco Pictured Cliffs Field

Dear Sir:

Application for Administrative Approval is hereby made under Section I, Rule 104-F for unorthodox location in the Blanco Pictured Cliffs formation. Topographical conditions prevent staking a standard location.

El Paso Natural Gas Company and Pan American Petroleum Corporation, the offset operators will be furnished a copy of this application and will be requested by a separate letter to furnish a waiver on the unorthodox location.

Very truly yours,

TENNECO OIL COMPANY
