Dear Sir:

Application for Administrative Approval is hereby made under Section I, Rule 104-F for unorthodox location in the Basin Dakota formation. Topographical conditions, (high Bluff - North of location), prevent staking a standard location.

Aztec Oil & Gas Company and Southern Union Gas Company, the offset operators, will be furnished a copy of this application and will be requested by a separate letter to furnish a waiver on the unorthodox location.

Very truly yours,

TENNECO OIL COMPANY
