Mr. A. L. Porter, Jr.  
Secretary Director  
New Mexico Oil Conservation Commission  
P. O. Box 2088  
Sante Fe, New Mexico 87501

Dear Mr. Porter:

Enclosed are three copies of Form C-102 designating location of our Jones No. 1 well.

This well was re-entered and completion attempted as an oil well. Due to economic necessity it has been completed as a gas well and is, therefore, an irregular location for a gas well.

We respectfully request your administrative approval of this irregular location.

Yours very truly,

DAMSON EXPLORATION CORPORATION
