October 8, 1973

New Mexico Oil Conservation Commission (3) P. O. Box 2088 Santa Fe, New Mexico 87501

Attention Mr. A. L. Porter, Jr., Secretary-Director

Gentlemen:

Subject: Application for Approval for Unorthodox Location for MCA Well No. 352

Continental Oil Company, as operator for the MCA Unit, hereby requests approval under the provisions of Order No. R-2403-A to drill MCA Unit Well No. 352 at a location 1345' from the North line and 25' from East line (Unit H) of Section 25, T-17S, R-32E, Lea County, New Mexico.

As shown on the attached plat, this location is 25' from the nearest quarter-quarter section boundary line. The well is being drilled in conjunction with our current in-fill drilling evaluation program, and should result in the more efficient recovery of oil in this immediate area.

Since this well is located at least 1/4 mile from the nearest outside boundary of the Unit, it is respectfully requested that immediate approval of this location be given.

Yours very truly,

pc cc: NMOCC - Hobbs USGS (2) - Hobbs RLA, JJB, JWK
