Attn: Mr. A. L. Porter, Jr.

Gentlemen:

Skelly Oil Company respectfully requests an amendment to Administrative Order NSL-641 to authorize a new non-standard location for the Skelly Penrose "A" Unit Well No. 66. The previously approved location 1330' FSL and 1330' FEL of Section 4-23S-37E fell over a main water injection line and had an electrical high line obstruction. Therefore, Skelly Oil Company requests approval to move the location for the above well 20' to the south. The new location will be: 1310' FSL and 1330' FEL of Section 4-23S-37E, Lea County, New Mexico.

Yours very truly,

Leland Franz
