Gulf Oil Exploration and
 Production Company
 P. O. Box 670
 Hobbs, New Mexico 88240

Administrative Order NSL-990
 Amendment No. 2

Gentlemen:

Reference is made to your application for a non-standard location for your W. A. Ramsay (NCT-A) Well No. 3 located 660 feet from the South line and 1980 feet from the East line of Section 35, Township 21 South, Range 36 East, NMPM, Eumont Gas Pool, Lea County, New Mexico.

Approval is also given to simultaneously dedicate said W. A. Ramsay (NCT-A) Well No. 3 with the W. A. Ramsay (NCT-A) Wells Nos. 7, 13 and 20, all located in said Section 35, and previously approved, to a standard proration unit. Further, you are hereby permitted to produce the allowable from any of the wells on the proration unit in any proportion.

By authority granted me under the provisions of Rule 3 of Order No. R-1670, the above-described unorthodox location is hereby approved.

Very truly yours,

 JOE D. RAMEY,
 Director
