> Re: Application for Unorthodox Location Tenneco Tapp #1 Proposed Dakota Gas Well San Juan County, New Mexico

Gentlemen:

Attached in duplicate (to each office) are a well location plat C-102, an ownership plat and a topographical map for the above captioned Dakota gas well.

The Tapp #1 proposed site is 1,410' FSL, 850' FWL, Sec. 21, T28N-R8W, San Juan County, New Mexico. This places the well 90' from the nearest governmental quarter-quarter section line. This was the only feasible site due to topographical conditions as shown on the map.

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe office with a waiver of objection.

Pursuant to authority of Rule 104-F, we respectfully request your approval of an exception to the standard well location requirements.

Yours very truly,

TENNECO OIL COMPANY
