Will,

The downhole commingle percentages for Dayton Hardy are listed below. These percentages were included on the spreadsheet on the last page of our application, but I inadvertently left them off the application form. Sorry about that error.

	Oil	Gas	Water
Penrose Skelly Grayburg	30%	27%	8%
Blinbry	54%	59%	71%
Wantz Abo	16%	14%	21%

If you need any further information for this permit please let me know.

Thank You,
Charles Kendrix
