Dear Mr. Ramey:

The Order of Division granting Mr. Silverthorne approval to drill the above referenced well at a location 1310' from South line, 1310' from West line, Section 30, T 18S, R 31E, this location fell directly under an electric power line and it is necessary to move the well to a point 1100' from the South and West lines of this section.

With this letter, we are requesting administrative approval for this unorthodox location.

Yours very truly,

R. Q. Silverthorne
