Nickson #19
NW NW Sec. 14 T26N R8W
San Juan County, New Mexico

Dear Mr. Ramey:

Supron Energy Corporation requests an exception to Rule 104F for the above-captioned well location. Enclosed is a location and elevation plat and a topographic map.

The location was staked at the above coordinates due to extreme topographic difficulties.

Supron Energy Corporation has the operating rights on the surrounding acreages except for the SE $\frac{1}{4}$ Sec. 11 T26N R8W, which is owned by El Paso Natural Gas Company. A copy of this letter is being sent by CERTIFIED MAIL for their consent or objection.

Should you require any additional information in order to approve this application, please call.

Thank you.

Sincerely,
