RE: Filing Exception to Rule 104F

Supron Energy Corporation

Newsom #10R

SW SW Sec. 20 T26N R8W 1045' FSL & 1215' FWL

San Juan County, New Mexico

Dear Mr. Ramey:

Supron Energy Corporation requests an exception to Rule 104F for the above-captioned well location. Enclosed is a location and elevation plat and a topographic map.

The location was staked at the above coordinates because of topographic difficulties.

Supron Energy Corporation has the operating rights to the Pictured Cliffs formation on the surrounding acreage, so no other leaseholders are involved.

Should you require any additional information in order to approve this application, please call.

Thank you.

Sincerely,

POWERS ELEVATION

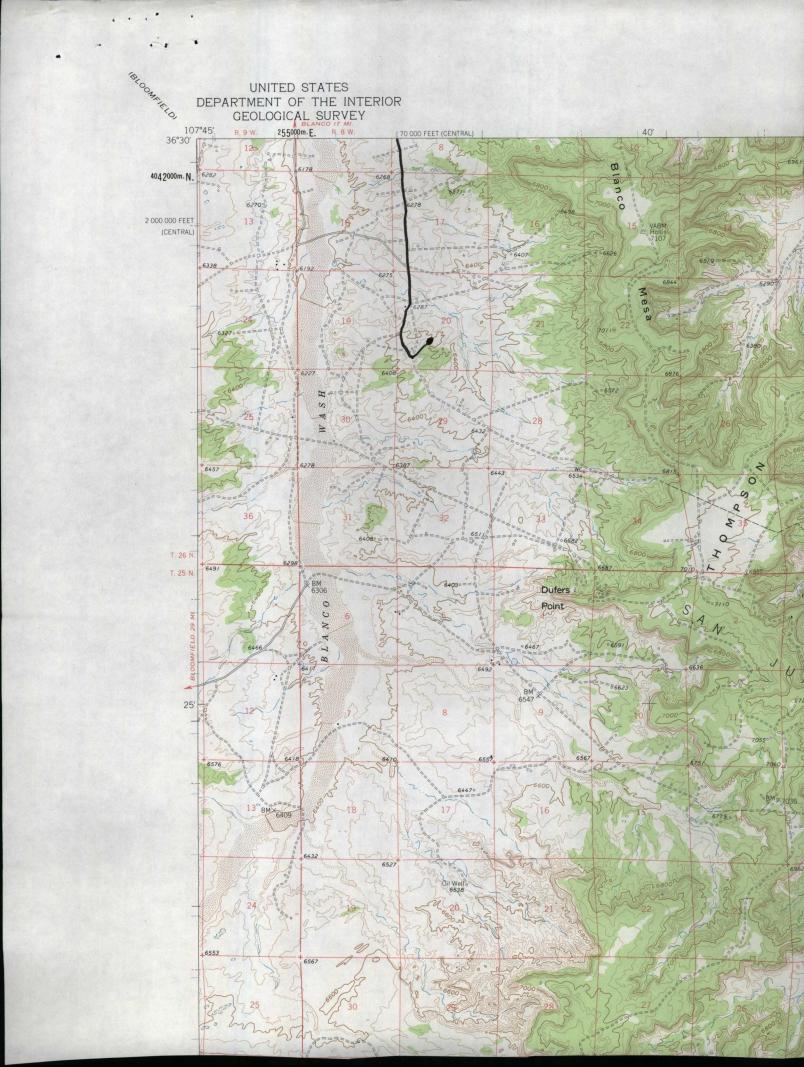

Connie Frailey
