Re: W. B. Hamilton Estate State #1
1150' FNL / 2170' FEL (Unit B)
Sec. 16-T26N-R7W, Rio Arriba County
Proposed Chacra/Dakota dual

Dear Sir:

As provided in Rule 104-F, W. B. Hamilton Estate is requesting an exception to the location requirement of Rule 104-C II (b) for the above captioned well to be located as stated.

The well is a proposed dual completion in the Chacra and Dakota formations.

The reason for the non-standard location request is the extreme topographical conditions that exist and the excessive cost of constructing a standard location.

The attached copy of a U.S.G.S. topo map shows the general conditions that exist in the area of the proposed well.

We would appreciate a reply at your earliest convenience.

Very truly yours,

F. P. Crum, Jr.
