Re: Unorthodox Approval for Pioneer Production Corp.  
Nye #1E  
Sec 32 T29N R11W  
San Juan County, NM

Dear Mr. Ramey:

This is to inform you that the above-referenced well is not going to be an unorthodox location. The landowners informed us that they do not want the proposed well drilled where we had staked for unorthodox location. Instead, they wanted the well to be located 1090' from the west line and 1730' from the north line.

Thank you for approving the unorthodox location anyway.

Sincerely,

Jerome P. McHugh Jr.  
Agent for Pioneer Production Corp.
