Gentlemen:

Getty Oil Company of P.O. Box 3360, Casper, Wyoming 82602, hereby requests approval of a nonstandard location for the subject well due to topographical conditions. The well is located in the Navajo Indian Irrigation Project.

The enclosed topographical plat shows the well to be located in the corner of an irrigated field. This location was selected at the request of a representative of the Navajo Agricultural Products Industry.

A copy of this application is being mailed by Certified Mail to each of the offset operators this date to the addresses shown on the attached list.

Yours very truly,

A. R. Kendrick

Getty Oil Company
P.O. Box 516
Aztec, NM 87410

Dear Mr. Kendrick:

As you requested in our telephone conversation of February 12, 1981 we are pleased to authorize the placing and drilling of your Campbell Com #1E well at the field staked location of 635' from the north line and 450' from the west line of Section 15, T27N, R12W.

Your cooperation and willingness to assist NAPI in its farming operations by moving your well site to this field corner location is appreciated, and if we can be of further assistance in any way please do not hesitate to call on us.

Sincerely,

Sam Martin, Assistant General Manager
Operations - NAPI
