Dear Mr. Stamets:

Northwest Pipeline Corporation requests permission to Drill the above captioned well in a Non-Standard Location due to Archeological and Topographical reasons. Indian artifacts were discovered along the entire Western ridge of the canyon that bisects the Southwest Quarter of this section. The proposed well is currently staked on the East ridge as close as possible to the cliffs. A copy of the surveyors plat and a topographical map are attached.

The offset owners have been notified of this wells Non-Standard Location by certified mail. Copies of these letters along with a copy of the receipts for certified mail are enclosed.

Thank you
