Re: No. 11 Dale-Federal, sec 26, T7S, R26E
Chaves County, New Mexico

Dear Sir:

Following a request from the U.S.G.S., Roswell, New Mexico, I am hereby making application for an unauthorized location on referenced well.

In support of this request I submit the following:

1. Lease plat showing Berge controlled leases indicating that adjoining offsets to the No. 11 Dale-Federal will fall on Berge acreage and thus will not interfere with another leaseholder's potential production.
2. A copy of the lease area from 7 1/2 min. topographic map, Eight Mile Draw, showing that the location has been moved to void the possible influence and consequences of a dry wash, the principle reason for moving the location.
3. Copies of the original and amended cover pages used in our APD application, giving details of the location in question.

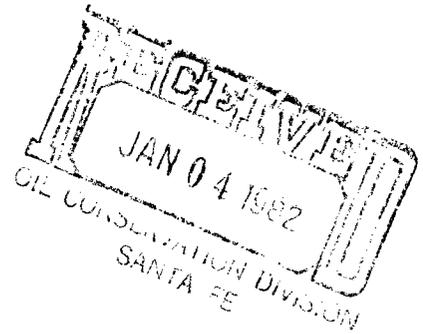

Thank you for your consideration in this matter.

Very truly yours,

Verne P. Berry
