RE: Cameron Oil & Gas (Trio)
Persons #2
Remediation & Spill

Mr. Johnson:

Cameron has completed the excavation and hauling of the contaminated soils from the above listed site. Cameron hauled approximately 400 cu. yds. to C & C Landfarm. Samples were taken of the spill area and the location and are within guidelines for closing. Whenever you approve, we will begin backfilling and leveling, and file a final report of all work activities.

If you have any questions, please call.

Sincerely,

A handwritten signature in black ink, reading "Eddie W. Seay". The signature is fluid and cursive, with a long, sweeping underline that extends to the right.
