Dear Mr. Ramey,

Subject:

Mesa Petroleum Co.

Crawford Federal #2 660' FSL & 2080' FEL

Sec 31, T7S, R26E

Chaves County, New Mexico

Abo Lormation

Application is hereby made for an administrative approval for an unorthodox location for subject well.

This well was re-located from the original  $660' \times 1980'$  location by the Bureau of Land Management to prevent the destruction of a natural flood control levilying along the eastern boundary of the drilling site. Exhibit I shows that the location is within the flood plain of the Pecos River and subject to special stipulations. Exhibit II is a topographic plat and Exhibit III is an acreage dedication plat and Exhibit IV is an area land map showing offset operators notified by certified mail of this request.

Expeditions handling of this request is appreciated.

Yours truly,

MESA PETROLEUM CO.
