RECEIVED

Dear Mr. Ramey:

Northwest Pipeline Corporation requests that Administrative Order NSL-1517 be amended to include the Gobernador Pictured Cliffs Pool, in addition to the Blanco Mesa Verde Pool, as this well has been completed as a dual.

The offset operators of this well have been notified of this request by certified mail. A copy of these letters along with copies of the receipts for certified mail are enclosed.

Sincerely,

*Paul C. Thompson*

Dear Mr. Ahlm:

Northwest Pipeline has requested that the NMOCD amend Administrative Order NSL-1517 to include the Gobernador Pictured Cliffs pool so that the well described below can be drilled as a dual in a Non-Standard Location due to topography. Our records show you to be an offset operator to this well. Notify R.L. Stamets, with the NMOCD in Santa Fe, if you have any objections to this location within 20 days. This letter is being sent by certified mail in accordance with NMOCD regulations.

Northwest Pipeline Corporation requests permission to drill the above captioned well in a Non-Standard location due to topographical reasons. The proposed well is currently staked as close as possible to the canyon wall which overlooks Pueblita Canyon.

The offset operators of this well have been notified of its Non-Standard location by certified mail. A copy of these letters along with copies of the receipts for certified mail are enclosed.

Thank you,
