Eagle Creek - San Andres Pool

Dear Sir,

Yates Petroleum Corporation is proposing to drill the above referenced well. We are requesting administrative approval for this unorthodox location. The reason for moving this well is due to a gas pipe line that is crossing the original location of 990' FSL and 990' FWL.

Enclosed is a topographical map showing the pipeline and a lease map. All offsetting lease acreage is owned by Yates Petroleum Corporation.

Thank you for your help in this matter.

Sincerely,

Cy Cowan
