Re: Smith Fee No. 1
Sec. 27-T6S-R27E
660' FNL & 1200' FWL
Chaves County, N.M.

Dear Mr. Stamets:

McClellan Oil Corporation would appreciate an administrative approval for a non standard Abo gas well location, as provided for under NMOC rule 104F.

The enclosed map shows the topography problem to the West, which caused the preferred location of 660' FWL to be moved to 1200' FWL. We are requesting administrative approval for this location for topographical reasons.

The enclosed lease map shows the offset operators who have been notified by certified mail of our request.

We will appreciate your expeditious approval and issuance of the administrative order.

Sincerely Yours,

Enclosures/dp

Mark McClellan
