Rio Arriba County, New Mexico

*Dedicated acreage: Otero Chacra - 160 acres

Otero Gallup - 40 acres
NE 1/4 SE 1/4*

As per the request of Frank Chavez this letter serves to complete your records.

Amoco Production Company hereby requests approval of an unorthodox well location for the Jicarilla Contract 148 No. 17. The proposed location is 1520' FSL x 870' FEL of Section 15, T25N, R5W, Rio Arriba County, New Mexico.

The well as it was initially drilled was in a standard location. It was decided after drilling the well to dual complete to the Otero Gallup which resulted in the unorthodox location.

There are no offset lease holders of the Otero Gallup wells as indicated on the attached nine section plat.

Sincerely,

W. J. Holcomb
