RULE-104(A)

1/2 Section 16.

Mr. Richard Stamets
New Mexico Oil Conservation Division
Post Office Box 2088
Santa Fe, New Mexico 87501

Dear Mr. Stamets:

This is a request for administrative approval for an unorthodox gas well location in the Blanco Mesa Verde Pool.

It is intended to locate the El Paso Natural Gas Company's Schultz #12A at 2025' from the North line and 1350' from the West line of Section 16, T-27-N, R-8-W, San Juan County, New Mexico.

Extremely rough terrain in the form of steep cliffs in the northwest corner of this section makes it impossible to build an orthodox gas well location.

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe office with a Waiver of Objection, and return one copy to this office.

Plats showing the proposed well location and the terrain in Section 16, along with an ownership plat, are attached.

Sincerely yours,

A. W. Brink
