Section 3, 26N, 6W
Rio Arriba County, New Mexico

*South Blanco Tocito Oil Pool
80 Acres dedicated
S/2 NW/4 Section 3*

Dear Frank,

This well was drilled to the Dakota Zone and was originally proposed as a Mesa Verde Dakota Dual.
Location is standard for both of these Horizon's.

After reviewing logs from this well it was decided to change plans and test the Tocito Oil Zone.
Well is now dual completed in Tocito Oil Zone and Dakota Gas Zone.

We hereby request an exception to the South Blanco Tocito Pool Rule Order No. R-326, which required Tocito Oil Well be drilled in center of NW 1/4 of quarter section.

*Verbal okay
E.B. 11-1-85*

Remarks: This well was previously completed in the Dakota Gas Pool at a standard location. This order authorizes the completion of the well in the South Blanco Tocito Oil Pool at a non-standard location.

Yours very truly,

Charles E. Verquer
