> Re: Marlisue Queen Unit Tract 2-8 Lease No. K-6772 Sec. 24-T14S-R29E 2480' FSL & 2285' FWL Chaves County, NM

Dear Mr. Stamets:

McClellan Oil Corporation would appreciate an administrative approval for a non-standard Queen oil well location.

McClellan Oil has staked the Tract 2-8 in the above captioned location based on the recommendation of the waterflood engineer, who feels that this location is best suited so as to obtain maximum benefit from the flood and will also prevent economic waste from occurring.

In accordance with Rule 1207 (a) 2, I have not notified any other offset operators of our request as McClellan Oil is the only offset operator who is being crowded.

We will appreciate your expeditious approval and issuance of the administrative order.

Sincerely,

Mark McClellan Geologist
