Application for Unorthodox Location
C. A. McAdams B #1E
Angels Peak Gallup Ext.
San Juan County, New Mexico

Amoco Production Company hereby requests approval of an unorthodox well location for the C. A. McAdams B #1E. The proposed location is 1090' FSL x 930' FWL of Section 28, T27N, R10W, San Juan County, New Mexico.

This well was staked in the unorthodox location indicated above because the original intent was to complete the Dakota formation only. Dual completion of the Gallup formation was an afterthought.

A copy of this application is being sent by certified mail to the offset lease holder, El Paso Natural Gas, with the request that they furnish you a waiver of objection and return one copy of the same to me.

Sincerely,

R. J. Broussard *BJS*
