Dear Mr. Catanach:

Union Texas Petroleum wishes to advise that the following operators have been notified of our request to drill an unorthodox location for this Blanco Mesaverde-Basin Dakota-Wildhorse Gallup test:

Southern Union Exploration
Northwest Pipeline Corp.

A copy of the letters to the offset operators is attached. I am sorry for any inconvenience that may have been caused. If I may be of any further assistance, please advise.

Very truly yours,

Robert C. Frank
Permit Coordinator

Re: Unorthodox Location
Jicarilla H #6M
840' FSL & 2020' FEL
Section 20, T26N-R4W
Rio Arriba County, NM

Gentlemen:

Union Texas Petroleum desires to drill a Blanco Mesaverde-Basin Dakota-Wildhorse Gallup test at an unorthodox location of 840' FSL and 2020' FEL. A standard location of 1850' FEL is not possible due to topography.

As an offset operator we are required to notify you of our intentions. If you do not approve of our proposal, you have twenty days from this date to notify the Director of the Oil Conservation Division in Santa Fe, New Mexico. If you are in accord with our proposal, please acknowledge by signing and returning one copy of this letter to Union Texas Petroleum at your earliest convenience.

Very truly yours,

Robert C. Frank
Permit Coordinator

160 Acres SE 1/4 Section 20 dedicated
Wildhorse Gallup Pool

Dear Mr. LeMay:

Union Texas Petroleum requests administrative approval of an unorthodox location for a Basin Dakota-Blanco Mesaverde-Wildhorse Gallup commingled completion. The basis for our request is for topographic reasons.

~~The~~ offset operators have been notified as the location is unorthodox to the west and will not affect any other operators.

Very truly yours,

Robert C. Frank
