Dear Mr. Catanach:

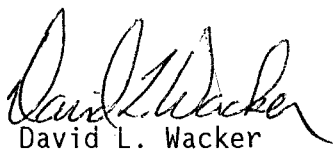

Administrative Order NSL-2403

Conoco Inc. respectfully requests an amendment to the subject non-standard location for MCA Unit No. 379 to reflect the location to be 1435' FNL & 2375' FEL, Section 21, T17S, R32E, Lea County, New Mexico. The SW/4, NE/4 of Section 21 will be dedicated to this well.

The original location for this well was abandoned since the terrain would increase the expense of building the pad.

Please contact Ceal Yarbrough of this office if you have any further questions,

Yours very truly,

David L. Wacker
