Dear Mr. LeMay:

This is a request for administrative approval for an unorthodox gas well location in the Undesignated Fruitland Pool.

It is intended to locate the Southland Royalty Company's Reese Mesa #101 at 1880' from the North line and 550' from the East line of Section 13, T-32-N, R-8-W, San Juan County, New Mexico.

Extremely rough terrain makes it impossible to build an orthodox location in the northeast quarter of this section.

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe office with a Waiver of Objection, and return one copy to this office.

Plats showing the proposed well location and the terrain in Section 13, along with an ownership plat, are attached.

Sincerely yours,

Peggy Doak
