Dear Mr. LeMay:

This is a request for administrative approval for an unorthodox gas well location in the Undesignated Fruitland Pool.

NSL-2553
RULE-104 F(Z)
Wildcat Fruitland Pool
160 Acres ded.
Lots 11, 12, 13, and 14 of irregular Section 10 shall be dedicated to the above described well.

It is intended to locate the Southland Royalty Company Reese Mesa #102 at 1900' from the South line and 1815' from the East line of Section 10, T-32-N, R-8-W, San Juan County, New Mexico.

Extremely rough terrain in the form of steep cliffs makes it impossible to build an orthodox location in the southeast quarter of this section.

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe office with a Waiver of Objection, and return one copy to this office.

Plats showing the proposed well location and the terrain in Section 10, along with an ownership plat, are attached.

Sincerely yours,

A handwritten signature in cursive script, appearing to read "Peggy Doak".
