Attention: J.W. Marshall

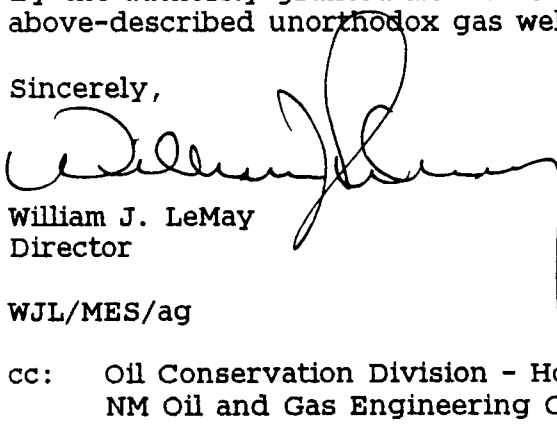

Administrative Order NSL-2682

Dear Mr. Marshall:

Reference is made to your application of July 7, 1989, as amended on July 31, 1989 for a non-standard gas well location for your Morrison Well No. 1 to be located 750 feet from the North line and 990 feet from the East line (Unit A) of Section 22, Township 2 South, Range 29 East, NMPM, Undesignated Tule Pennsylvanian Gas Pool and Undesignated Tule Montoya Gas Pool, Roosevelt County, New Mexico. The N/2 of said Section 22 shall be dedicated to the well forming a standard 320-acre gas spacing and proration unit for both pools.

By the authority granted me under the provisions of General Rule 104 F(II), the above-described unorthodox gas well location is hereby approved.

Sincerely,

William J. LeMay
Director
