Dear Mr. LeMay:

This is a request for administrative approval for an unorthodox gas well location in the Basin Fruitland Pool.

It is intended to locate the El Paso Natural Gas Company's Canyon Largo Unit #41 at 990' from the South line and 990' from the East line of Section 24, T-25-N, R-6-W, Rio Arriba County, New Mexico. This well was originally drilled as a Pictured Cliffs and is intended to be plugged back to the Fruitland Coal Pool.

A copy of this application is being submitted to all offset owners/operators by certified mail with a request that they furnish your Santa Fe office with a Waiver of Objection, and return one copy to this office.

A plat showing the well location in Section 24 and the offset ownership is attached.

Sincerely yours,

Peggy Bradfield

This well was originally drilled as a Pictured Cliffs and is intended to be plugged back to the Fruitland Coal Pool.

This application was submitted to you on November 22, 1989, with incorrect offset operators listed. I have enclosed a copy of the offset operators/owners plat, showing APMC Properties - Evergreen Resources (formerly Kenai Oil & Gas) and Amerada Hess Corp. as the corrected offset operators/owners. Also enclosed is a copy of the waivers signed by both APMC Properties - Evergreen Resources and Amerada Hess Corp. We would appreciate your earliest review of this request.

Sincerely yours,
