SECTION 34-21-S-37-E
LEA COUNTY, NEW MEXICO

Gentlemen:

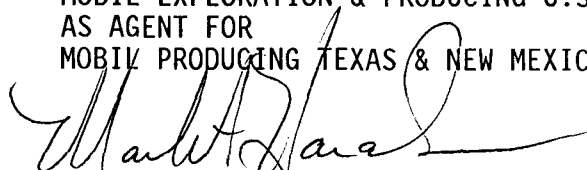

By letter dated June 21, 1990, Chevron USA Inc. requested waivers from offset operators for their unorthodox gas well location in Section 34 of Township 21 South, Range 37 East, NMPM, Lea County, New Mexico.

Please be advised that Mobil Producing Texas & New Mexico Inc. objects to the unorthodox well location of the Mark Owen #4 located in unit letter J of Section 34. It is our position that this well would drain reserves from our Marshall Com Lease located in the NW/4 of the same section.

Please advise when and if a hearing will be set to review this matter so that we may make plans to attend.

Very truly yours,
