*Corrected Administrative Order NSL-2977*

Dear Mr. Greaf:

It appears that the location of the West Pearl Queen Unit Well No. 202 is not correct as it appears in Division Administrative Order NSL-2977, dated January 16, 1991. Therefore, said location should be changed to read "1310 feet from the North line and 1330 feet from the East line". All other provisions of said Order NSL-2977 shall remain in full force and effect until further notice.

Sincerely,

A handwritten signature in dark ink, appearing to read "Michael E. Stogner", with a long horizontal line extending to the right.
